The Unicoi County Apple Festival is a celebration and presentation of the unique heritage foods, crafts, and culture of the southern Appalachian region. The Chamber of Commerce is the organizer of the event and coordinates all booking for the show. The Chamber reserves the right to refuse any vendor from participating in the festival. Vendors already participating in the festival have a grace period to renew, therefore spaces are limited. Our office will contact you via email or telephone within 60 days if you have been accepted to the show. If you have not been contacted within 60 days, we will keep your application on file in case we have a booth cancellation that you may be interested in occupying. **By signing on the line below, you agree that you: 1) have read and understand the application process and agree to follow all of the festival rules and regulations; 2) that the description of your product and pictures are a fair representation of your product; and 3) that if accepted to the show, you agree to operate your booth the entire duration of the show, with no early breakdowns**
